ANNUAL REPORT OF THE
TOWN OF SANBORNTON
NEW HAMPSHIRE

FOR THE YEAR ENDING DECEMBER 31, 2001

❧ DEDICATION ❧

STEPHEN TESSLER

Steve Tessler of Knox Mountain Road is someone who represents the best of our community. Harvard educated, Steve Tessler chose to teach in the public schools, and for over thirty years has taught English at Winnisquam Regional High School.

Regardless of academic ability, students are known to line up at Mr. Tessler's door to take one of his courses. A recommendation from him is a prized possession for a college-bound student. Mr. Tessler's work with students does not end with graduation. Long after, he can be found working with his former students, helping them to recognize their potential, and encouraging them to take the steps necessary to achieve their goals.

Teachers like Mr. Tessler are not always recognized for their contributions. In dedicating this Annual Report to Steve Tessler, the Town of Sanbornton expresses its appreciation and gratitude for his work with the young people of Sanbornton and the students in the Winnisquam Regional School District.

In Memoriam

To those who lost their lives in the
tragic events of September 11, 2001.

❧ IN RECOGNITION ❧

Thank you, Patricia Shattuck

Patricia Shattuck is a member of the Solid Waste Disposal Committee. She has been invaluable to the Town in providing technical advice during the landfill closure process. With the closure complete, we would like to recognize Patricia for her work which includes the drafting of Requests for Proposals, reviewing closure contracts, and consulting with the engineer.

She prepared the Town's Groundwater Permit application for renewal, working with NH DES regarding the placement of the monitoring wells, evaluating test results, critical components in determining the method of closure of the landfill.

Patricia's expertise and attention to detail has saved the Town thousands of dollars. An unassuming individual, Patricia is married, the mother of two young boys, and is employed full time. We are grateful to Patricia for her time, energy, and willingness to share her talents and expertise with the Town of Sanbornton. Thank you, Patricia Shattuck.

REPORT OF THE BOARD OF SELECTMEN

2001 began with enthusiasm and hope, and closed with much accomplishment and some shadows.

The landfill closure was completed; town hall sills have been replaced. We purchased new vehicles for the fire department and the police department, acquired a loader and truck for the highway department and a forklift for the transfer station. We transferred the property on Mountain Road to the Mohawk Trailriders, as voted, and stumps were removed from the transfer station site. The Cemetery Committee reports the site on Hermit Woods Road is not an ideal site for a town cemetery. Work continues on the library addition plans and on the reconstruction of Steele Hill Road, and we have been working with the library and the church on a resolution for septic service for the three buildings on Meetinghouse Hill Road.

Out of the community profile project held in the Spring, a very active group headed by Andy Sanborn has emerged and is hard at work attempting to define preservation and community use of Sanbornton's treasured Town Hall. The committee has been actively raising funds and securing grants to assist with the work. We are asking that a small amount of funds be allocated by the voters to assist with the work.

We wish to acknowledge and thank Everett Joslyn for his many years of service to the town as health officer. We welcome Bill Tobin, who came aboard in July as health officer, and George Waring as our new zoning enforcement officer. With growth in the community, and new challenges and issues, we look to these two gentlemen to provide us with a new level of expertise. Bill and George have presented a revised fee schedule for building permits which we have adopted. These new fees will bring our fees more in line with the cost of processing the applications. New homes and other improvements resulted in an increase of \$4.6 million in valuation for 2001.

With the assistance of George Langelier, the selectmen are looking at the assessment of sewer user fees for those residents along Lake Winnisquam who are connected to the Winnepesaukee River Basin Interceptor. While there has been no consensus as yet, options are being reviewed and a revised system may be in place for the annual billing in June.

We are very proud of Transfer Station Facility Manager Mary O'Neil who was chosen Recycler of the Year by Northeast Resource Recovery Association. In presenting the award to Mary, Executive Director Michael Samson noted that Mary not only runs a great program but she also has demonstrated the ability to involve people in the recycling process. In accepting the award, Mary shared the accolades with Transfer Station staff. Congratulations to Mary and staff!!

(Board of Selectmen continued)

Several initiatives begun in 2001 will continue into 2002. Ralph Carter, on behalf of the board of selectmen perambulated most of the town line with Meredith officials. We look to complete the perambulation in 2002 and also do the line with Tilton officials. We have asked state officials to assist us in addressing potential ADA issues. We look to adopt a more comprehensive and updated personnel policy for town employees. Like most employers, we have been struggling with employee insurance benefits. We anticipate having to make major revisions in 2002.

On the homefront, the Selectmen have been put to the test with regard to meeting notices and minutes. As a result, we have reviewed and revised our process of noticing meetings and providing a record of them. As voted in 2000, we also tape record each meeting. In conjunction with this process we have also reminded town boards and committees of the requirements under the Right to Know law.

Volunteers are the backbone of our community. Whether it be as a member of the Fire Department, or as a member of a town board or committee, we certainly appreciate their dedicated service to the town. They come to their responsibilities with enthusiasm and dedication. We do what we can to support their efforts and we encourage participation for all walks of the community. Thank you.

Respectfully submitted,

Tom Salatiello, Chairman
Kevin Roy
Ralph Carter

OFFICIAL BALLOT OF THE TOWN OF SANBORNTON MARCH 13, 2001

Pursuant to the warrant for the 2001 Town Meeting, the Moderator, Donald Foudriat opened the polls at 7:00 AM on March 13, 2001. Of the 1936 registered voters, 26% took part in the election. A Total of 512 ballots were cast including absentees.

At 1:00 PM Absentee Ballots were processed. 56 ballots were accepted. One ballot rejected as a non voter. Absentee Voter List is sealed, not be opened only by court order Per RSA657:15 and RSA658:27.

The polls closed promptly at 7:00 PM.

The results of the counting of the ballots follows:

RESULTS OF THE VOTE ON ZONING AMENDMENTS

Amendment #1

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 (General Provisions) and add Paragraph S (Recreational Campgrounds) to allow recreational campgrounds by special exception from Zoning Board of Adjustment and Site Plan approval from Planning Board. Recreational campgrounds would be permitted in all Districts provided certain standards and conditions are met. Recreational campgrounds under this ordinance would be for temporary and recreational occupancy utilizing only tents and recreational vehicles (RVs). This amendment is not for the establishment or development of manufactured home parks.

Yes 235

No 232

Amendment #2

Are you in favor of adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 (General Provisions) Paragraph J (Private Family Cemeteries) Section (3) to read; The property owner shall maintain a copy of the recorded cemetery lot layout and a copy shall be provided to the Town Office. At the time of a burial, the cemetery owner shall supply to the Town Office the deceased's name and grave lot number for the burial lot.

**2001 Town Meeting Minutes
Town of Sanbornton
State of New Hampshire
March 14, 2001**

The 2001 Town Meeting was called to order at 7:00 PM by the Moderator, Donald P. Foudriat. Voters were reminded to check with the Supervisors of the Checklist to obtain their voting card. The Moderator then requested identification of any handicapped voters who may need assistance. Junior Girl Scout Troop 2639, presented the colors and also the Pledge of Allegiance under the direction of their leader's, Deb Smith and Luann Speikers. The invocation was lead by the Reverend Cindy Morse, Pastor and Rector of the United Church of Christ in Meredith. A moment of Silence was observed for the 15 members of the Sanbornton community whom have passed away in the year 2000. Introduction of Town Officials were made. Appointments of Assistant Moderator's, Larry Goss, Richard Gardner, Paul Sincero and Scott Taylor. Town Counsel, Attorney Patrick Wood, of Westcott, Millham, & Dyer, was available to answer any legal questions the body my have. Mark Latham was also available to answer any questions regarding the Community Profile Project for the Town of Sanbornton.

Selectmen, Kevin Roy was recognized for the following Presentation: In recognition of service, Evelyn Auger was presented with a pewter plate for her dedicated years of service as a member of the Board of Selectmen.

Elections results were read by the Moderator.

Moderator's rules were then read.

Article 1. Landfill Closure

To see if the Town will vote to raise and appropriate the sum of \$600,000 to fund closure of the Sanbornton landfill, such sum to be raised by the issuance of serial bonds and notes not to exceed \$450,000 under and in compliance with provisions of the Municipal Finance Act (RSA Chapter 33); and to authorize the selectmen to issue and negotiate such bonds or notes in the name of or on the credit of the Town, and to determine the rate of interest thereon; to authorize the selectmen to invest said monies, with income derived from temporary investment of the bond proceeds returned to the General Fund; to authorize the participation in the State Revolving Fund (SRF) RSA 486:14, established for this purpose; and to allow the selectmen to expend such monies as become available from the federal and state governments; furthermore, to authorize the withdrawal of \$100,000 from the Sanitary Landfill Capital Reserve Fund established for this purpose; with the balance of \$50,000 to be raised by taxation. The Board of Selectmen and the Budget Committee recommend this appropriation (two-thirds ballot vote required).

(Town Meeting Minutes continued)

Article #1 was Accepted as read.

Ballot box remained open until 8:35 PM.

203 Votes were cast.	YES	191	NO	12
-----------------------------	------------	------------	-----------	-----------

Article 2. Library Addition

To see if the Town will vote to raise and appropriate the sum of \$323,000 for the construction of an addition to the Sanbornton Public Library and to authorize the issuance of bonds and notes in an amount of not more than \$198,000, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the selectmen to issue and negotiate such bonds or notes in the name of or on the credit of the Town, and to determine the rate of interest thereon; furthermore, to authorize the selectmen to invest said monies and to use the earnings thereon for said project; furthermore, to authorize the use of the sum of \$10,000 from the Library Construction/Reconstruction Capital Reserve Fund; and to authorize the expenditure of \$75,000 previously raised by notes or bonds for the purposes of repair to Town buildings and facilities by Article 1 of the 1999 Town meeting, also in accordance with the Municipal Finance Act (RSA Chapter 33), with the balance of \$40,000 to be expended from grants and donations received for this purpose. The Board of Selectmen and the Budget Committee recommend this appropriation (two-thirds ballot vote required).

There was a typo error mentioned in Article #2: Library Construction/Reconstruction Capital Reserve Fund should read Library Construction Capital Reserve Fund

Article #2 was Accepted as read.

Ballot box remained open until 9:00 PM.

206 Votes were cast.	YES	170	NO	36
-----------------------------	------------	------------	-----------	-----------

Article 3. Steele Hill Road

To see if the Town will vote to raise and appropriate the sum of \$100,000 as the Town's portion of Phase Two of improvements to Steele Hill road under the State Aid Highway Program. Said Town appropriation will be offset by donation of \$33,333 from Steele Hill Resort. (This is the second of a three-phase plan to reconstruct Steele Hill Road, a Class II state road. Work to be done by NH DOT. Under the 2:1 match program, NH DOT will contribute \$200,000 towards

Phase Two of the project. The three year project is estimated at \$900,000.) The Board of Selectmen and the Budget Committee recommend this appropriation.

(Town Meeting Minutes continued)

Article #3 was Accepted as read.

Article 4. Highway Loader

To see if the Town will vote to authorize the selectmen to enter into a five year municipal lease/purchase agreement for the purpose of acquiring a new loader for the highway department, and to raise and appropriate the sum of \$20,611 for the first year's payment for that purpose. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article #4 was Accepted as read.

Article 5. Highway Truck

To see if the Town will vote to raise and appropriate the sum of \$44,800 for the purchase of a new truck for the highway department, and to authorize the withdrawal of \$34,300 from the Heavy Equipment Capital Reserve Fund, established for this purpose; the balance, \$10,500, to be funded by trade-in of an existing vehicle. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article #5 was Accepted as read.

Article 6. Highway Block Grant

To see if the Town will vote to raise and appropriate the sum of \$90,932 to be received from the Highway Block Grant to be used for improvements to Hunkins Pond Road and March Road. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article #6 was Accepted as read.

Article 7. Fire Department Vehicle

To see if the Town will vote to raise and appropriate the sum of \$29,700 for the purchase of a 4 wheel drive vehicle for use by the Sanbornton Fire Department. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article #7 was Accepted as read.

Article 8. 4-Wheel Drive Police Cruiser

To see if the town will vote to raise and appropriate the sum of \$15,685 as the second and final payment on the 4-wheel drive police cruiser. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article #8 was Accepted as read.

(Town Meeting Minutes continued)

Article 9. Fire Department Radios

To see if the Town will vote to raise and appropriate \$30,000 for the purchase of radios for the Fire Department, and to authorize the withdrawal of \$15,000 from the capital reserve account established for this purpose, with the balance of \$15,000 to be raised by taxation. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article #9 was Accepted as read.

Motion to Restrict Reconsideration on all previous Articles was seconded and so voted.

Article 10. Removal of Stumps

To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purpose of grinding and the removal of stumps from the landfill in preparation for closure of the landfill. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article #10 was Accepted as read.

Article 11. Transfer Station Forklift

To see if the Town will vote to raise and appropriate the sum of \$7,500 for the purchase of a forklift for use at the Sanbornton Transfer Station. The Board of Selectmen and the Budget Committee recommend this appropriation.

The following amendment was offered: To see if the town will vote to raise and appropriate the sum of \$8,250.00 for the purchase of a forklift for use at the Transfer Station . With a trade in of \$1250.00 the final cost of \$7,000.

Amendment was Withdrawn.

The following amendment was offered:

To see if the town will vote to raise and appropriate the sum of \$8,250.00 for the purchase of a forklift for use at the Transfer Station. With a trade in of \$1250.00 to be deposited in the general fund.

The amendment was Accepted.

Article #11 as amended was Accepted.

Article 12. Town Cemetery

To see if the Town will vote to raise and appropriate the sum of \$2,000 to evaluate the suitability of a 1.5 acre Town parcel located on Hermit Woods Road for use as a Town cemetery. The Board of Selectmen and the Budget

(Town Meeting Minutes continued)

Committee recommend this appropriation.

Article #12 was Accepted as read.

Article 13. Payments to Capital Reserve Accounts

To see if the Town will vote to raise and appropriate \$25,000 to be placed in capital reserve accounts. The Board of Selectmen and the Budget Committee recommend this appropriation.

Town Building Improvement Capital Reserve	\$10,000
Fire Truck Capital Reserve	\$ 5,000
Repair and Refurbishing Capital Reserve	\$ 5,000
Rescue Vehicle Capital Reserve	\$ 5,000

Article #13 was Accepted as read.

Article 14. Operating Budget

To see if the Town will vote to raise and appropriate the sum of \$1,783,070 which represents the operating budget for the Town. This Article does not include any of the previous Warrant Articles. The Board of Selectmen and the Budget Committee recommend this appropriation.

Budget Committee Member, Peter Dascoulias made a motion to see if the Town will vote to raise and appropriate the sum of \$1,783,070. which represent the operating budget of the town and will be allocated according to the Budget Committee Recommendation as shown in the Town Report. Except that the amount in line item 4324, Transfer Station shall be reduced to \$160,005, which is the requested amount and the amount in line item 4312, Highways and Streets shall be increased to \$356,276. Motion was seconded.

The following amendment was offered: To see if the Town will vote to raise and appropriate the sum of \$1,843,070., which represents the operating budget for the Town. With the increase of \$60,000. to be put in the Highways & Streets budget #4312. This Article does not include any of the previous Warrant Articles.

The amendment was Accepted. (Hand Vote Yes 124 No 45)

Article #14 as amended was Accepted.

Motion to Restrict Reconsideration on all previous Articles was seconded as so voted.

(Town Meeting Minutes continued)

Article 15. Sale of Lot to Snowmobile Club

To see if the Town will vote to sell Tax Map 8, Lot 24, a Town-owned parcel on Mountain Road for the sum of \$500.00, to the Mohawk Trail Riders Snowmobile Club, a non-profit organization, the proceeds to be deposited in the general fund. The Board of Selectmen recommends this sale.

Article #15 was Accepted as read.

Article 16. Sale of Town Lots

To see if the Town will authorize the selectmen to sell the following town property. The Board of Selectmen and the Conservation Commission recommend sale of these lots.

<u>Tax Map/Lot</u>	<u>Acreage</u>	<u>Location</u>
2.008	.82	Drake Road
2.021	.34	Grove Drive

The following amendment was offered: Amend Article 16 by deleting the entire list except lot 15.075, 18.012, 21.046 and 25.012

The amendment was Defeated.

The following amendment was offered: Under 1 acre restricted to abutters-remove from sale list 25.034 removed and all others to be advertised correctly buildable/unbuildable.

The amendment was Defeated. (Hand Vote Yes 47 No 64)

Article #16 was Defeated.

Motion to Restrict Reconsideration on Article #16 was seconded and so voted.

(Town Meeting Minutes continued)

Article 17. Sale of Earth Materials

To see if the Town will authorize the selectmen to sell excess excavated earth material (clay) from the Town of Sanbornton highway department property located on Hunkins Pond Road.

Article #17 was Accepted as read.

Article 18. Steele Hill Conservation Easement

To see if the Town will vote to release the ten (10) acres of land belonging to Steele Hill Development, Inc., located on the east side of Steele Hill Road from the conservation easement established September 13, 1976, and to accept in its place a conservation easement on the west side of Steele Hill Road as depicted on Plan of SFC Engineering Partnerships, Inc., dated November 28, 2000, filed with the Planning Board.

Article #18 was Accepted as read.

Article 19. Discontinuance of Portion of Parker Hill Road

To see if the Town will vote to discontinue as an open highway and make subject to gates and bars that portion of Parker Hill Road beginning at its easterly most intersection of Hunkins Pond Road and extending westerly approximately 400 feet up the hill to a point terminating 10 feet easterly of the easterly side of the driveway on property of Catherine Creteau. By Petition.

Article #19 was Defeated.

Article 20. Discontinuance of Portion of Pound Road

To see if the Town will vote to discontinue as a highway a portion of Pound Road, beginning at property of the State of New Hampshire and traveling easterly a distance of 775 feet, and to authorize the selectmen to convey all interest of the Town to the abutting landowner (all costs of conveyance to be paid by the landowner).

Article #20 was Defeated.

Article 21. Acceptance of Portion of Upper Smith Road

To see if the Town will vote to authorize the selectmen to accept as a class V Town maintained road a portion of Upper Smith Road, beginning at Bay Road and traveling easterly a distance of 100 feet. The acceptance is subject to improvements by property owners, to road standards of the town, and upon the approval and recommendation of the road agent.

Article #21 was Accepted as read.

(Town Meeting Minutes continued)

Article 22. Sale of Tax Deeded Property

To see if the Town will vote to authorize the selectmen, indefinitely until specific rescission of such authority, to sell tax deeded property by advertised sealed bid or public auction or to otherwise dispose of said property as justice may require under the provisions of RSA 80:42 and RSA 80:80. (This is to clarify the vote on Article 2 of 1995 Town Meeting.)

Article #22 was Accepted as read.

Motion to reconsider Article #19 was seconded.

Reconsideration of Article #19 was Defeated.

Article 23. Other Business

To transact such other business as may legally come before the Town Meeting.

No other business was brought before the meeting and a motion to adjourn was approved at 11:09 PM.

Respectfully submitted,

Jane Goss

Boats	120.24
Overpayments.....	49.50

Remitted to Treasurer \$450,800.97**Reminders:**

Pet owners please license your dog by April 30th to avoid penalties. Delinquent Notices will be mailed mid June.

Boat owners please check with the Town Clerk's office before registering, to see if there are any fees due to the town.

Highlights:

On November 11, 2001, a Candlelight Vigil was held at the Sanbornton Town Hall, in honor of our Veteran's, Police, and Fire Departments. I believe all of us have a renewed respect and appreciation for the people who provide these services to our community. I sincerely want to thank everyone who participated and volunteered their time to make this event a huge success, also much appreciation to the Sanbornton Police Relief Association for providing all the refreshments. We hope to make this an annual event, suggestions for the year 2002 are welcomed.

In the year 2002, hopefully the Town Clerk's Office will be on line with the State of New Hampshire Motor Vehicle Department. The State will only allow a few towns a year to be added to the system, but **we are on the waiting list**. This will enable us to provide more services for our residents, such as vanity and moose plates, overweight vehicles, late renewals and someday boat registrations.

Revenues were up slightly in 2002.

HAVE A GREAT NEW YEAR!!!!!!!!!!!!!!!!!!!!!!

Respectfully Submitted,

Jane Goss

INDEPENDENT AUDITOR'S REPORT

**PLODZIK & SANDERSON***Professional Association/Accountants & Auditors*193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX-224-1380

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Sanbornton
Sanbornton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Sanbornton as of and for the year ended December 31, 2001 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with accounting principles generally accepted in the United States of America. As is the case with most municipal entities in the State of New Hampshire, the Town of Sanbornton has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Sanbornton as of December 31, 2001, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Sanbornton taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Sanbornton. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Plodzik & Sanderson

2002 Warrant
Town of Sanbornton, New Hampshire

The polls will be open from 7:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the Twelfth day of March, in the year Two Thousand Two, to act on the following subjects:

To choose all necessary Town Officers for the ensuing year.

To choose all necessary District Officers for the Winnisquam Regional School District.

To vote on the following Questions:

Question No. 1

"Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the (local political subdivision) on the second Tuesday of (month)?" Presented by Petition.

Question No. 2

To see if the town will vote to increase the Board of Selectmen from three to five members. Presented by Petition.

To vote on the following Amendments:

Amendment No. 1

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 3 (Definitions) and add in alphabetical order the definition for "Farm, Agriculture, and Farming" according to RSA 21:34-a. Farms are currently a permitted use in the zoning ordinance, but the term is not defined.

Amendment No. 2

Are you in favor of adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 (General Provisions) and add Paragraph V (The Right to Farm). The right to farm is a traditional right of fundamental importance to the Town of Sanbornton, to those who are now farming in the Town and to those who may want to farm in the future. In order to safeguard and protect these basic interests, the right to farm, comprising all generally accepted agricultural practices, is expressly recognized and allowed as a permitted use, excepting any practices not conducted in accordance with state rules and regulations.

Amendment No. 3

Are you in favor of adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 (General Provisions) Paragraph T (Open Space Zoning) Section (E)(5) to read that further subdivision of the open space land or use for other than conservation, forestry, agriculture, and/or outdoor recreation shall be prohibited. Structures and buildings accessory to conservation, forestry, agriculture, and/or outdoor recreation may be erected on the open space land, subject to review by the Planning Board and final issuance of a building permit by the Board of Selectmen.

Amendment No. 4

Are you in favor of adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 3 (Definitions) and add in alphabetical order the definition of "Impact Fee". An impact fee is a fee or assessment imposed upon a development, including subdivision, building construction or other land use change, in order to help meet the needs occasioned by the development for the construction or improvement of capital facilities owned or operated by the town

Amendment No. 5

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 (General Provisions) and add Paragraph (W) "Impact Fees". The Planning Board is authorized, as a condition of subdivision or site plan approval, to require a developer to pay fees and exactions for off-site improvements to existing or future public facilities affected or required by the proposed development. Amount of impact fee, accounting, assessment and payment, refunds, and appeals are part of this ordinance.

Amendment No. 6

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 4 (General Provisions) Paragraph (G) "Radio Towers and Antennae" and delete sections (1) through (10) and adopt Paragraph (g) "Personal Wireless Services Facilities". This amendment replaces the existing "telecommunications" ordinance to include revisions based on State of NH law change. This amendment requires a conditional use permit issued by the Planning Board. The amendment provides siting standards, design standards and meets state and federal requirements.

You are hereby notified to meet at the Sanbornton Central School in said Sanbornton on Wednesday, the Thirteenth day of March next at seven of the clock in the evening (7:00 p.m.) to act upon the following subjects:

Article 1.

Establishment of Citizens Board to Oversee Appointments by Selectmen

To see if the voters will vote to have a 3-member Board to be voted by the citizens to serve to oversee all appointments by the Selectmen, and that only if the Citizens Board approves of the nominee can that person be appointed to any committee, commission or board in the Town of Sanbornton. Presented by Petition.

Article 2.

Relocation of Bulletin Board at Town Offices

To see if the Town will vote to authorize the selectmen to relocate the public notice bulletin board from the side of the town office building, which is currently facing the pond, to the front of the town building. Presented by Petition.

Article 3.

Specifying Bid Process for Hiring Auditing Firm

Given that it is sound financial practice to change auditors after a period of five years and the same firm has audited our books for the last 15 years, the Sanbornton financial records shall be audited by an independent auditing firm. This firm shall be hired by putting an ad for bid for the job in at least three newspapers of local and statewide circulation. Presented by Petition.

Article 4.

Appointment of Road Agent

To see if the town will vote to make the office of Road Agent an appointed rather than elected position. Such appointment shall follow a publicly advertised opening for the position. Presented by Petition.

Article 5.

Acceptance of a Portion of Ridge Road as a Class V Road

To see if the Town will vote to authorize the selectmen to accept as Class V Town maintained road, a section of Ridge Road, beginning at the intersection with Old Hale Road, and traveling easterly a distance of 325 feet. The acceptance is subject to improvements by property owners to the standards of the town, and upon the approval and recommendation of the road agent.

Article 6.

Acceptance of a Portion of Davis Road as a Class V Road

To see if the Town will vote to authorize the selectmen to accept as Class V Town maintained road, a section of Davis Road, beginning at the point where the current Class V portion of Davis Road ends and traveling easterly a distance of 225 feet. The acceptance is subject to improvements by property owners to the standards of the town, and upon the approval and recommendation of the road agent.

Article 7.

NH Routes 127 and 132 on the Ten Year Plan for Reconstruction

To see if the Town will vote to petition the State of New Hampshire Department of Transportation place New Hampshire Routes 127 and 132 located within the jurisdiction of the Town of Sanbornton on the ten (10) year plan for reconstruction.

Article 8.

Land Use Change Tax Funds to Conservation Fund

To see if the Town will vote to deposit five thousand dollars (\$5,000) or 50%, whichever is greater, of the annual revenues collected pursuant to RSA 79-A (the Land Use Change Tax provision of the Current Use Assessment Statute) in the Town's Conservation Fund in accordance with RSA 36-A:5 III (conservation commission statute) as authorized by RSA 79-A:25 II for the purpose of protecting open space by evaluating, acquiring and/or managing conservation land, conservation easements or trail easements. (This is to modify action taken on Article 17 of the 1999 Town Meeting.) Recommended by the Conservation Commission and the Board of Selectmen.

Article 9.

Fire Department Chief

To see what sum the Town will vote to raise and appropriate to fund a Fire Chief for the Town. The Board of Selectmen recommends thirteen thousand dollars (\$13,000) to fund a full time Chief commencing in October, 2002. The Budget Committee recommends three thousand dollars (\$3,000) to fund a full time Chief at reduced hours commencing in October, 2002.

Article 10.

Highway Block Grant

To see if the Town will vote to raise and appropriate the sum of ninety-three thousand eight hundred and three dollars (\$93,803) to be received from the Highway Block Grant to be used for improvements to town roads.

Improvements include Lower Bay Road and Gray Road, with fifteen thousand dollars (\$15,000) designated for the replacement of culverts on Hueber Drive and Dr. True Road. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article 11.

Highway Sander

To see if the Town will vote to raise and appropriate the sum of four thousand nine hundred seventy dollars (\$4,970) for the purchase of a sander for the Highway Department, and to authorize the withdrawal of said sum from the Heavy Equipment Capital Reserve Fund. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article 12.

Police Cruiser

To see if the Town will vote to raise and appropriate the sum of twenty-five thousand eight hundred dollars (\$25,800) for the purchase of a police cruiser for the Police Department. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article 13.

Steele Hill Road Improvements

To see if the Town will vote to raise and appropriate the sum of one hundred fifty thousand dollars (\$150,000) as the Town's portion of Phase Three of improvements to Steele Hill Road under the State Aid Highway Program. Said Town appropriation will be offset by donation of fifty thousand dollars (\$50,000) from Steele Hill Resort, a credit of twenty-four thousand dollars (\$24,000) to be received from the New Hampshire Department of Transportation for the use of earth materials provided by the Town, and the withdrawal of twenty-six thousand dollars (\$26,000) from the Town's State Aid Reconstruction Account. The remainder, fifty thousand dollars (\$50,000), is to be raised by taxation. The Board of Selectmen and the Budget Committee recommend this appropriation:

Article 14.

Capital Reserve for Town Hall Restoration

To see if the Town will vote to establish a Capital Reserve Fund under the Provisions of RSA 35:1 for the purpose of Town Hall Restoration, and to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in this Fund, and to designate the Selectmen as agents to expend. The Board of Selectmen and the Budget Committee recommend this appropriation.

Article 15.

Payments to Capital Reserve Accounts

To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) for payments to Capital Reserve Accounts; The Board of Selectmen and the Budget Committee recommend this appropriation.

Town Building Improvement Capital Reserve	\$15,000
Fire Truck Capital Reserve	\$ 5,000
Repair and Refurbishing Capital Reserve	\$ 5,000
Rescue Vehicle Capital Reserve	\$ 5,000

Article 16.

Operating Budget

To see if the Town will vote to raise and appropriate the sum of one million nine hundred seventy-three thousand one hundred and seventy-three dollars (\$1,973,173). Said sum does not include special or individual Articles previously addressed. Recommended by the Board of Selectmen. Not recommended by the Budget Committee.

Article 17.

Other Business

To transact such other business that may legally come before the Town Meeting.

Given under our hand and seal this twentieth day of February, Two Thousand and Two.

Tom Salatiello, Chairman

Kevin Roy

Selectmen of Sanbornton

Ralph Carter

BUILDING PERMIT SUMMARY

In 2000, the total number of building permits approved was 129. There were 36 filed for new homes (1 renewal) and 6 for mobile homes. The following table represents the number of building permits filed for 2001 and the type.

PROJECT TYPE	NUMBER
Accessory (such as shed, garage, barn)	51 (1 renewal)
Addition (such as porch, living space)	12
Alteration (alteration of existing structure)	4
Antenna / Satellite	2
Demolish (remove structure)	2
Home (new residence)	32 (5 renewals)
Mobile Home (new residence)	1
Repairs (Repair of existing structure)	2
Temporary Housing	0
	106 approved

CONSERVATION COMMISSION REPORT

During the past year, a professional forester was hired to administer timber harvests on seven of our town owned parcels. Timber harvesting on the following town lots were either completed or will be completed in 2002; Tower Hill Road (lot 15.101); Mountain Road (lot 1.012); Hopkinson Hill (lot 16.003); New Boston Road (lot 25.018); Knox Mountain Road (lot 6.002); Hopkinson Hill (lot 16.004); and Eastman Hill Road (lot 4.032 and 9.061). The total timber sale revenue collected as of December 31, 2001 is \$32,587.08. the Conservation Commission appreciates the cooperation of landowners that allowed the town access to improve our woodlots and remove damaged timber.

The Commission reported back to the Department of Environmental Services for compliance of wetland statutes involving wetland complaints, tree removal, standard dredge and fill applications and minimum impact applications, where appropriate the properties were inspected.

This summer the Conservation Commission participated in a joint meeting with SALT (Sanbornton Agriculture and Land Trust) at the Calef Hill Farm. The purpose of the meeting was to meet other Conservation Commission members from the surrounding towns and discuss possible projects that may cross town boundaries. Maps of land cover types, large blocks of unfragmented land and possible greenway connections were reviewed. These maps were also shared with the planning board as a basis for land protection planning.

A challenge for the Commission in the next year will be to participate in the upcoming master plan revision to identify ecologically important areas and work to conserve open space. Conservation lands and open space in our town's landscape enhance our quality of life and are part of our community's character. Often these open spaces are what we like most about our community. Local communities and private landowners are vital players in conservation. A community natural resource inventory is the first step in conserving land.

Our challenge is to conserve the resources we have in the face of expanding numbers of residents and visitors to our town. By acting now to incorporate natural resources into every level of decision-making, we can make a difference. A goal of the commission is to establish a conservation fund with sufficient money in it to purchase easements or be a partner with another land protection agency to conserve land. Time is often of the essence when land becomes available. Citizens of Sanbornton have expressed interest in conserving open space through the community profile in 2001 and the community mail survey in 1999. The Conservation Commission will be asking for financial support to be productive in achieving the goal of conserving lands in Sanbornton. The challenge will be to plan wisely for sensible growth and conservation.

Respectfully submitted,
Karen Bordeau

ENHANCED 911 REPORT

The Town of Sanbornton saw a small decline of single family housing being built in 2001. Twenty-three new residential homes were built compared to thirty-three the past two years. More than one hundred property changes were recorded for the third straight year.

Again, we ask that you post your address so that it may be seen year round by emergency responders. Seconds saved in an emergency may save your life or that of a loved one. If you have a question as to the proper posting procedures, please feel free to call me at 286-7720 and I will be happy to come out to your home to show you how or answer any questions.

Stan Barnes
E-911 Coordinator

FIRE DEPARTMENT REPORT

The Sanbornton Fire Department responded to a total of 243 calls for assistance during 2001. Of these, 104 were fire related and 139 were for EMS services. For the past few years we have been able to provide ambulance service by our own department. Prior to purchasing an ambulance, the Town relied on private ambulance service for transport to area hospitals.

The current roster includes 19 dedicated volunteers. This year, a number of members have furthered their education. Lieutenant Scott Taylor is currently enrolled in an EMT-Paramedic course that will be completed this spring. Captain Craig Simpson received a diploma for Firefighter Level II. Linda Surowiec and Ben Burlingame are now certified at the level of EMT-Intermediate. Guy Guinta III received his Firefighter IA certification. Paul Moore and Ben Downes are performing at the EMT-Basic level. Gary Schaffer has finished Firefighter I and is enrolled currently in a Firefighter II course. All of the above classes require at least 120 hours per student.

The department as a whole devoted over 2200 hours towards training in 2001. This does not include the many hours spent by the Fire Chief or Deputy on administrative duties. In addition to all the fire and emergency medical service training the department received, they also participated in specialized training for radiological monitoring, and hazardous materials.

The Annual Fire Prevention Program, conducted by Captain Craig Simpson, was very well received by school children and their teachers. Chief Jon Sanborn, Captain Simpson, Paul Moore, Gary Schaffer, and Linda Surowiec visited four schools in town including Sanbornton Central, Montessori House of Children, Sant Bani School and Nursery Rhymes. The Department often hears how much our volunteer services and commitment are appreciated by the community.

After thirty years serving the Town as a fireman, twelve as Deputy Chief, and five as Chief, my wife and I have made a decision. As of September, 2002, I will step down as the Chief of the Sanbornton Fire Department.

This year we, as a Department, are requesting the town hire a full-time Fire Chief. The increasing demand in all aspects of emergency services, along with growth of the town, in both residential and commercial sectors, leaves a heavy burden on the Chief for managing public safety. During the past few months we have all realized the potential for situations to arise rapidly. A full-time Fire Chief will be more readily available to serve the growing needs of the town of Sanbornton. As our population expands, and technology develops, the town will need a professional who can devote full-time energy to fire and life-safety issues. I would like to thank all of the town departments for their help and cooperation during 2001.

Respectfully submitted,
Jon Sanborn, Chief

FOREST FIRE WARDEN & STATE FOREST RANGER'S REPORT

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for any open burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs. Open burning is a privilege, **NOT** a right. Help us to protect you and our forest resource! Build small brush piles that can be quickly burned and extinguished.

New Hampshire experienced over 940 wildland fires in 2001. Most of the fires were human caused. Due to dry conditions fires spread quickly impacting more than 20 structures. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. **ONLY YOU CAN PREVENT WILDLAND FIRES!!** Contact your local Fire Department or the New Hampshire Division of Forests and Lands website at www.nhdfi.com or call 271-2217 for wildland fire safety information.

HIGHWAY DEPARTMENT REPORT

The winter of 2000-2001 was a very busy time for the Sanbornton Highway Department. We received a lot more snow than we have in many years.

The Highway Block Grant projects were: repaving Hunkins Pond Road from Meeting House Hill to the Swain Farm, and finishing repaving March Road.

During the summer we continued replacing failed culverts and ditching on many roads.

Please have patience while we work hard maintaining the town roads with our limited crew.

Respectfully submitted,
Bradley O. Laughy, Road Agent

HIGHWAY SAFETY-TRANSPORTATION ADVISORY COMMITTEE REPORT

The Highway Safety/TAC Committee was very active and dealt with many issues concerning public safety on our local and state roads. The committee has continued to monitor the Steele Hill Road construction project and are very pleased with it's progress so far, we will continue to monitor this project until it's completion in 2002.

The Highway Safety Committee has begun negotiations with land owners to remove some trees at the intersection of Eastman Hill and Hermit Woods Road. This will help visibility greatly and should make this intersection much safer. The committee has also dealt with issues concerning Parker Hill Road, Philbrook Road and many others. We are currently preparing a list for the selectmen of some additional roads to be considered for 25 MPH speed zones. These roads are mainly dirt roads that the existing 35 MPH limit is too high to promote safe operation.

I would like to remind you that the Highway Safety Committee meets on the fourth Thursday of each month and we are always looking for ideas to help keep our roads safe. I would also invite anyone who has highway safety concerns to contact the Police Chief at 286-4323 so that your concerns can be brought to the attention of the committee.

Respectfully submitted,
Wayne Elliott
Chairman

HISTORIC DISTRICT COMMISSION REPORT

The Historic District Commission continues to "recognize and maintain those natural and structural features within the Historic District which are historically, culturally, or architecturally significant and which characterize the town of Sanbornton."

In 2001, the Historic District Commission reviewed and approved the construction of one shed, one garage/barn, and repairs to both the Sanbornton Congregational Church and the Town Hall. We are particularly pleased with the ongoing work of the Town Hall Restoration Committee and look forward to continued work with this organization. During the past year, we have also continued to update the photo survey and to purchase historic renovation and reference materials that are available for public use at the library.

We would also like to remind residents that changes to the exterior of buildings within the Historic District need to be reviewed and approved by the Historic District Commission. If you are planning projects that would alter the exterior of your home, please contact Karen Bartlett (286-7833) to arrange a meeting with the Commission. Updated guidelines are also available through the Selectmen's Office.

I would like to thank the members of the Historic District Commission for dedicating their time and efforts to preserving the character of the Historic District. The Commission welcomes the input and inquiries of interested persons at its meetings.

Respectfully submitted,
Karen Bartlett, Chairperson

OFFICE OF EMERGENCY MANAGEMENT

2001 started out as a very quiet year with no large-scale emergencies to contend with. On September 11th things changed. With the events of that day, the State Office of Emergency Management in Concord was put on high alert for the possibility of a terrorist act that may occur in New Hampshire. With that action, all emergency management directors throughout the state were notified to be certain that their Emergency Operation Plans were up to date and made available, if needed, in the event of a terrorist act. Towns that have a location which may be of considerable risk, such as Seabrook, were asked to provide additional security. This was made available through the NH State Police. Sanbornton, not being a high-risk location did remain at the ready with the police taking an interest in areas of lakes and streams that could be contaminated which in turn would affect wells.

Early in October, another aspect of terrorism appeared in the presence of ANTHRAX. There were several incidents in Sanbornton that required the response of the police and/or fire department, all of which turned out to be good intent calls. One sample was sent to the State Police Lab for testing and found to be negative. As a result of the anthrax situation, the State of New Hampshire has provided all police and fire departments with a detailed policy and procedure for the response to a terrorist anthrax problem.

I was to go to a convention in Charleston, S.C. of emergency management directors from around North America on September 13-16 but because of the September 11th terrorist acts, the convention was canceled until March of 2002. I do plan on attending. I hope to bring back many ideas that will provide the citizens of Sanbornton assurance that they are living in a town with the highest level of emergency response to any need.

As of this writing, plans are being made to have a tabletop exercise for an emergency at the Sanbornton Central School. This exercise for providing emergency training for responders and school staff for the protection of our children is a major priority to this office and all town departments.

We are somewhat closer to my goal of retrofitting the Life Safety Building and the Town Office for emergency power. As soon as the contractor has the time this spring, the job will be completed.

Thank you for your support.

Stan Barnes
Emergency Management Director

OLD GRAVEYARDS AND CEMETERIES COMMITTEE REPORT

The Cemetery/Graveyard Committee continued its efforts in 2001 with the following members: Peter Hibberd, Chairman, Millie Shaw, Robert Bodwell and Sally Hibberd.

The Committee continued in its quest to:

1. Find more graveyard locations that previously had been unaccounted for.
 2. Clear those graveyards to enable normal maintenance to begin.
 3. Record in the Master Graveyard Book, the details of the location and grave information.
 4. Issue an update to the Master Graveyard Book.
- 1a. A total of eleven graveyards were found during the year.
 - 2a. Of these, ten were cleared of a large amount of trees and fallen branches and handed over to the Trustee of the Graveyards to begin normal maintenance.
 - 3a. Additional information has been added to the Master Graveyard Book to the extent of 196 more names.
 - 4a. An updated version of the Master Graveyard Book was issued in September, and copies are held at the Town Office vault; the Town Office entrance foyer; the Library and the Historical Society.

It should be noted that of the 129 graveyard locations that we are seeking:

- A total of 12 graveyards are in TILTON, (old Sanbornton boundaries).
- A total of 6 graveyards are in FRANKLIN, (old Sanbornton).
- 2 were moved from the floodplain area to Hill & Franklin.
- The remainder are within the current boundaries of Sanbornton.

We are quickly finding those that exist, however there will be a number of these that will not be found as they were plowed under many years ago. One major success was the discovery of the location of the CRAM CORNERS graveyard in early 2000, which was plowed under over thirty years ago. After about eighty hours of digging and probing some headstones were uncovered, and the area of the graveyard and the positioning of many graves have been established.

I thank the committee members for their dedication and efforts in finding graveyards, and helping to gather additional information to place on record. Additional thanks to Okie Howe for taking us to find the George Cemetery and for offering to take us to find the McClary Place Graveyard this year.

Respectfully submitted,
Peter F. Hibberd

TRUSTEE OF GRAVEYARDS AND CEMETERIES REPORT

We were able to increase our maintenance coverage of the graveyards in the past year, cutting them more frequently as well as adding ten more graveyards to our list. Thanks to the Cemetery/Graveyard Committee, eleven more graveyards were found of which ten were added to our list to maintain. A recap of these activities is as follows:

<u>Activity</u>	<u>Total</u>	<u>Gravesites</u>
Checked for tidiness	91	2,023
Cleared of branches/small trees	40	768
Mowed etc.	45	870
Average cost per gravesite maintained	\$1.20*	1,673

*This cost to the taxpayer is down once again from the \$1.31 per gravesite last year.

Some of the gravesites have to be mowed up to six times during the year to keep them tidy. Also it should be noted that, the churches complete the mowing of the three cemeteries associated to the three churches in town. This is also true for the Association Cemetery called New Bay, on Woodman Road. The Cemetery Committee also found and cleared ten additional graveyards that I have added those to the list to be maintained.

My thanks to those residents and non-residents who take the time to maintain some of the graveyards in town, which enables me to concentrate on the many other graveyards. My special thanks to Millie Shaw and Peter Hibberd who have helped in many ways to care for these important stone records of our town history in 2001.

Respectfully submitted,
Sally D. Hibberd

PLANNING BOARD REPORT

In March 2001, the town passed all four proposed zoning amendments. The first zoning amendment allows a new permitted use in all districts. This permitted use is for a Recreational Campground, which is for temporary and recreational occupancy utilizing only tents and recreational vehicles (RV's). This new ordinance does not allow the establishment of manufactured housing parks. The other three ordinances were housekeeping issues concerning private family cemeteries and home occupation.

This year (March 2002) the proposed zoning addresses new law changes concerning the Right-to-Farm and Personal Wireless Services Facilities (PWSF). Adoption of the Right-to-Farm protects the rights of existing farms and future farms and allows their operation as a permitted use in all districts. The proposed zoning also provides a definition of agricultural use. The proposed revisions to the "Telecommunications Zoning or PWSF" includes, recent changes concerning notification, design standards, location siting, and criteria concerning reasonable opportunity.

This year proposed zoning also address a recent court case concerning the requirement to adopt Impact Fees. Currently, the Planning Board cannot impose fees upon an applicant for any development, which would create the need for off-site improvements, such as road upgrades. Passage of Impact Fee Zoning will enable the Planning Board to consider on a case by case basis the imposition of fees.

Only one proposed zoning amendment is housekeeping. The request is to include outdoor recreation as a permitted use within the protected open space land created under the Open Space Zoning.

Please take the time to review these important changes. Copies of the proposed zoning are available at the Town Office. As always take the time to vote on these zoning amendments at the March 2002 election.

During 2002, the Planning Board and sub-committee groups will assimilate the information from the 2001 Community Profile and from the 1998 Community Survey for the Master Plan Update. The Master Plan is the key tool used by the community in planning Sanbornton's future land use. Key goals arose from the Profile and Survey concerning preserving rural character, promoting agricultural use and home occupation, and protecting open space. Several objectives from the Profile and Survey have already been completed including zoning changes for Home Occupation, Outdoor Recreation, Senior Housing, and elimination of the Highway Commercial District. Other objectives have been successfully initiated such as Sanbornton's Farmers Market (held late June through October every Friday from 3 to 6 at the Lane Tavern) and the Town Hall Restoration Committee (Contact Andy Sanborn, Chairman).

(Planning Board continued)

The following is a listing of the 2001 subdivisions, boundary line adjustments and site plans.

NAME/LOCATION	PROJECT	TAX MAP/LOT #

POLICE DEPARTMENT REPORT

This past year was a very busy and challenging one for the Sanbornton Police Department. The recent development in our town and the surrounding communities has made this our busiest year ever with 465 arrest and over 3900 calls for service.

The Police Department has continued to work on new ways to keep our community safe and to provide strong services to our residents and I can assure you that we will continue to do so in the future. We have had a great response to our morning call program and I would encourage any one who lives alone to take advantage of it. We have also started to run gun safety courses and will be having another one in the spring. The department continues to work with the local schools through our *DARE* and *Child Find* programs and are working on other ideas to keep our officers active with our younger population.

I would like to thank the Sanbornton Police Relief Association as they have worked very hard this past year. The association was very active in the Santa Fund as well as contributing to many other local causes. I would also like to thank our dedicated officers for the effort they put forth every day to ensure that Sanbornton remains a wonderful and safe community for all.

In closing I would like to say thank you for the overwhelming support our residents show us. This was a very difficult year for law enforcement on a national level and there are many challenges ahead. The support that you show us is truly what makes it all worth the effort.

Visit us at www.sanborntonpolice.org

Respectfully yours,
Richard W. Robinson
Chief of Police

PUBLIC WELFARE DEPARTMENT REPORT

In 2001, the Public Welfare Department has assisted twenty-one families in Sanbornton. Help consisted of fuel, rent/mortgage, utilities and food expenditures. Forty-nine vouchers were written to assist these families in need with the total expensed of \$16,199.89.

Families also took advantage of the Tilton-Northfield-Sanbornton Fund, the Crisis Reserve Fund, the Sanbornton Bay Homemakers, Congregational Church, St. Vincent DePaul Society, Marine Corp. Auxiliary, and Sanbornton Police Association.

The total reimbursement to the Town for assistance totaled \$580.00.

I would like to thank the Police Department and the Sanbornton Central School Nurse for their tremendous help in the past year.

Respectfully submitted,
Edward R. Tierney
Office of the Overseer of Public Welfare

RECREATION COMMISSION REPORT

The Commission had a busy and memorable year. We said good-bye to Joe Gray our Chairman and welcomed aboard Corey Robinson as the new Chairman.

Basketball starts the year off and new this year was a traveling girls 5th & 6th grade team. Joel Smith and Luanne Speikers did an outstanding job coaching the 12 girls. Recreation Ball also played with kids from grades K-6 enjoying a good sport to break up the long winter.

The Commission joined forces with the Sanbornton PTO in having a huge yard sale at the town hall. Donations came from the entire community. The money raised was enough to purchase a large display case for the children of the school to enjoy.

The summer was long and hot and thanks to our great lifeguards the people who took advantage of the beaches benefited from the job well done. Swimming lessons were a great success with over 60 kids taking lessons. Water Safety Instructor, Sarah Ahern, was an added bonus to this year's summer season.

The Summer Day Camp program, with increased attendance this year, was a huge success. The program had 68 children enjoying the program which included crafts, games and field trips.

Pounding feet could be heard for miles when the soccer season kicked off in August. An amazing 125 kids played until the end of October. Shawn Murphy's great organizational skills and dedication makes this the recreation's biggest sport.

Ghosts and goblins were everywhere at Surowiec's Farm and even a gypsy fortuneteller. The kids enjoyed a black & orange egg hunt, face painting, cupcake decorating and many other activities. All consumed fresh hot popcorn and yummy snacks.

The Commission also sponsored other sports including Adult Co-Ed Volleyball (which plays two nights a week), Men's Basketball (plays on Tuesday evenings), Aerobics and other activities.

In closing the Commission is so appreciative of all the dedicated volunteers who give up their time and energy to make all the programs run so smoothly. Thank you for your support.

Respectfully submitted,
Juliana Lonergan, Coordinator

SANBORNTON PUBLIC LIBRARY REPORT

In preparation for the addition to the library, voted at Town Meeting, March 2001; trustees, staff and building committee members have been working to finalize plans that will allow work to begin in the spring. Many new books have been added and the staff has been weeding the collection of items that will not be moved into the addition. The additional space will permit increased adult and children's programming, an expanded reference collection, a reading area that will also house our New Hampshire collection, public access computers and a work area for the staff to carry out its business. Included will be an elevator lift for handicapped access to the meeting room on the second floor. Library Coop meetings, Area Library Forum meetings, library programs and public meetings can take place in this upstairs room. A very successful fund raising campaign was carried out by the library. Several generous gifts were given, with many, many smaller gifts coming in to augment the town funding. We extend our thanks to *all* who have contributed.

Some staff changes occurred in 2001. Diane Mitton and Priscilla Bodwell began their first year as Co-Director / Librarians with great success for all. Kathy LeBel resigned, after 14 years at the library, to make a move to Virginia. She is once again employed in a library - a few times bigger than ours! To cover the hours left vacant by Kathy, we decided to stay in-house and increased the hours of Martha Hayes, as Technical Services Librarian and Debbie Clement as Library Assistant. We are grateful also to our dedicated volunteers who have stepped in to cover hours as needed during the year when the staff goes on vacation, to meetings or on those few times when they are unable to report.

We continue to be active in our state and local library associations, from which we derive a number of benefits. Chief among those received from the New Hampshire State Library is the ease of doing Inter Library Loan. We are able to access by computer most of the library collections in the state, at public libraries, school and university libraries through the State Library service. Once the item desired is located, it arrives in Sanbornton by state van service. This great service puts the whole state at your fingertips, so if we don't have it, ask - we can probably get it for you. The state library also offers a number of training workshops in technology for library staff and both Martha and Debbie attended some of these workshops in 2001.

Our circulation increased slightly in 2001, about on an average with other libraries of our size. 2002 should see the overall use of the library increase considerably as we acquire space, more materials in varied formats, technology, and increased programming.

(Library continued)

Our thanks to the people of the Town of Sanbornton; the Selectmen and Budget Committee, the teachers and children of the Central School, and all who have given us support over the past year.

Respectfully submitted,
Lola Morse, Board of Trustees, Chairperson
Priscilla Bodwell, Co-Director / Librarian
Diane Mitton, Co-Director / Librarian

SOLID WASTE COMMITTEE REPORT

The year 2001 has been a very busy and productive year for Solid Waste. In May, more than 60 people from over 33 communities attended the Governor's Recycling Program's annual facility tour of the Transfer Station. Three different facilities are chosen from around the state for their diverse methods of recycling. Mary E. O'Neil, Manager of the transfer station, provided information on the town's successful Pay-As-You-Throw program, and the recycling efforts of the town. It was a successful tour, as a few towns have made return visits or phone calls requesting more information on the different aspects of our program.

Also through the Governor's Recycling Program, the Transfer Station offered Backyard Compost Bins this year. This turned out to be a huge success, as more than 3 dozen residents were able to purchase these bins at cost. We are hoping to have these available again this year, as there was a lot of interest after the order was sent in. Look for this program in the spring.

Especially exciting this year, was the award that Mary received from the Northeast Resource Recovery Association, of which we are a member. On November 5, Mary was named "Recycler of the Year" and received a plaque and flowers for her efforts. Congratulations to Mary and her crew. They do an excellent job, and are very proud of the work they do. They are very involved in recycling, and it shows.

The efforts that the towns' people have put into recycling are reflected in the year-end totals. The tonnage for Solid Waste has gone down, while recycling totals have increased; the more we recycle the less we pay in fees to dispose of solid waste.

In many respects the most significant development was the completion of the landfill closure in early January 2002. Visitors to the landfill immediately notice the huge, contoured mound that covers the old waste, the fence that encircles the area, and the neat, new piles of metal, wood, organic and other recycled materials. The closure of the landfill fulfills the NHDES requirements and protects our land and water from potential pollution. By covering the waste with a low permeability cover, we prevent water from contacting the wastes and transporting potential contaminants to our ground and surface waters.

Much hard work by the Committee and Nelson, Ward & Associates, Inc. resulted in completion and approval of the design plans. Nelson, Ward & Associates coordinated the bid process for the earth moving work, and oversaw the construction performed by the low bidder, James S. Piscopo Construction. The construction commenced in the fall and was completed on schedule and under budget in January 2002. The Town was able to achieve considerable cost savings on cover materials as a result of previously purchasing and (Solid

(Solid Waste continued)

stockpiling top soil, and obtaining low-permeability silt material from the Town Garage site. Some residents noticed increased truck traffic between the Town Garage and the landfill this fall as 17,000 cubic yards of silt were transported to the construction site. The Town was able to take advantage of low interest loans to finance the closure through the State of NH Revolving Loan Fund.

The committee is pleased to have nearly completed this momentous task of closing the landfill and ensuring the long-term integrity of the site for protection of our land and water.

Respectfully submitted,
Mary O'Neil, Facility Manager
Patricia Shattuck, Committee member

TOWN HALL RESTORATION COMMITTEE

The Town Hall Restoration Committee has been formed as a result of the Community Profile, which was held in the Spring, 2001. The committee's goal is to restore the Town Hall so it can be used for government, cultural, social and recreational activities for a wide range of ages and interests for future generations. In doing this, we plan to restore and preserve the historic character of the building, while creating a safe, operational and comfortable environment. In addition, we plan to provide a charter for the establishment of a permanent committee to oversee the function and preservation of the building.

In assessment of the immediate preservation priorities, an examination of early studies undertaken by the Historic District commission found strong recommendations for the removal of the two roof truss supported chimneys. Further examination of the building found a portion of the sill rotted. The committee recommended immediate repairs that have been completed under at a cost of \$9,850. The Fire Chief also examined the building at the request of the committee in assessment of Life Safety Code compliance.

The Town Hall's presence as listed in the National Historic Registry, and as part of the town's Historic District, qualify the building as a Restoration and Rehabilitation project. Adherence to national and state guidelines for the preservation of historic structures makes the project eligible for grants from governmental and private organizations. The Selectmen have adopted some of these standards and guidelines as recommended by the New Hampshire Division of Historic Resources.

This committee has been quite busy. We have sought input from town departments, social organizations, other town committees, and residents. The committee has been investigating sources of funding. Development of a fund raising program that includes fund raising events, donations, and grants is underway. On November 30th, the committee submitted an LCHIP Grant application for \$21,700 with the hope of receiving a matching monetary contribution of up to fifty percent.

The Fine Art Exhibit and Sale, which was held in the Town Hall on October 13, was the committee's first fund raising event, and over \$2,500 was raised. A twenty-five percent portion of all artwork sold was given to support the Town Hall restoration project. In addition, several artists donated items for a silent auction, with one hundred percent of the proceeds going to the project. Artists and attendees at the art sale expressed their desire for this to be an annual event. Committee members would like to thank all of the artists who participated in this event.

The Committee's focus at this stage is to develop a plan for the building that will include the community's needs and the historic preservation of the building. It

(Town Hall Restoration continued)

is not our intent to create a museum, nor either to destroy the historical value of the building by haphazard construction, but to achieve a balance of functionality and preservation that is appropriate.

As the committee consists of a mere six members, plus one consulting member, we are hopeful that other team players will step forward to serve on this committee. The result will benefit every Sanbornton resident for decades to come. If you are interested in serving on the committee, donating time, money or services, please inquire at the town office.

Respectfully submitted,
Andrew Sanborn, Chairman

ZONING BOARD OF ADJUSTMENT REPORT

The Sanbornton Zoning Board of Adjustment heard nineteen cases in 2001: six were seeking Special Exception, eleven were seeking Variance, one was for a combined Special Exception/Variance, and one was seeking Appeal from An Administrative Decision. There was one rehearing held during the calendar year.

The Zoning Board is a board comprised of ten residents, five of whom are members and five are alternate members. Currently, there is an opening for one additional alternate member. All ten members are appointed for three-year terms and are allowed to hear and vote on any appeal before the board. The Board can hear appeals from individuals who feel wronged by inflexible zoning ordinance requirements and/or administrative decisions of other town boards. Special Exceptions to our zoning ordinance can also be granted by the Zoning Board of Adjustment. Appearing before the Zoning Board provides residents the first step in the appeals process before entering the court system. Decisions of the Zoning Board are based on State Law, legal precedent, and our town Zoning Ordinance.

As stated in Article 1 of the Zoning Ordinance, the Sanbornton Zoning Ordinance exists 'for the purpose of promoting the health, safety, morals prosperity, convenience or general welfare, as well as efficiency and economy in the process of development of the inhabitants of the Town of Sanbornton, New Hampshire, by securing safety from fire, panic and other dangers, providing adequate areas between buildings and various rights-of-way, by preserving the rural charm now attached to our Town, the promotion of good civic design and arrangements, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, and by other means'.

The Zoning Board of Adjustment met on the third Wednesday of each month, as applications require, but applicants should inquire with the clerk for the exact date in any given month. Applications for special exceptions or variance may be obtained from the Selectmen's Office. Completed applications should be returned by the first day of the month in which the appeal is scheduled to be heard. At the regularly scheduled meeting of January 16, 2002, board members voted to change the monthly meeting day to the third Tuesday of each month.

Interested residents are invited to attend the hearing scheduled in any month. Notice of hearing and meeting minutes are posted publicly and are a matter of public record.

Respectfully submitted,
Ann E. Littlefield, Clerk

(Zoning Board continued)

Head Start	1 Child		\$6,904.00
Crisis Fund	12 Grants		\$1,536.87
GRAND TOTAL			\$142,559.08

Sincerely,
Gail Lyman, Area Director

COMMUNITY HEALTH & HOSPICE REPORT

Community Health & Hospice, Inc. is a not-for-profit home health care and support service agency which serves greater Belknap County. We provide in-home and community health care services from birth through the elder years. Services are divided into four main areas: the *homecare* program provides traditional visiting nurse service, the *hospice* program provides end-of-life care, the *young family* program provides pediatric clinical care and family support, and the *in-home support* program provides chore and companion service to the elderly and disabled.

Although the agency does receive payment from third party payers such as Medicare and Anthem Blue Cross, many of our services are not covered by health insurance, and many of our clients do not have health care coverage. As a non-profit agency, we do not turn away anyone based on the inability to pay. During our last fiscal year, the agency gave over \$350,000 in free or discounted service.

During the past year, Community Health & Hospice was privileged to receive a town appropriation to assist in providing services to Sanbornton residents. In particular, the Sanbornton town dollars were used to:

- provide matching state funds for homemaker and companion service to the elderly, allowing them to age in their own homes;
- provide pediatric visiting nurses and parenting education to high risk children and families;
- to provide childhood immunization service;
- to provide hospice support and medication service to persons at the end of life;
- to find children without health insurance and enroll them in Healthy Kids

Over 660 services and home visits were provided to Sanbornton residents during the past fiscal year, and we look forward to offering more service in the year to come.

Please check out our web site to learn more about us and what we offer: www.chhnh.org.

Respectfully submitted,
Margaret Franckhauser, ARNP, MS, MPH
Executive Director

LAKES REGION COMMUNITY SERVICES COUNCIL

During the past year, Lakes Region Community Services Council (LRCSC) has continued to provide its traditional services to those residents of Sanbornton who are developmentally disabled; residential, vocational, day activities, and transportation remain an integral part of their lives. We have been doing this work as the State's designated agency for the past twenty years.

For most of the past years Sanbornton has honored our requests with a grant of \$200. This in the past was used for transportation. Last year the LRCSC Family Support Advisory Council pursued the towns in Belknap and southern Grafton county for funding to hire a recreation coordinator to work with existing recreation programs. The recreation coordinator will assist in making the programs accessible to all children and adults with disabilities. The recreation coordinator was hired in September. Part of the salary comes from LRCSC and the other part will come from the funds requested from town budgets for the year 2002.

The Family Support Advisory Council sends out a bi-monthly newsletter that will keep you updated on what the recreation coordinator is doing. Each town office in Belknap and southern Grafton county has been added to the mailing list.

Such assistance will help us to sustain our overall mission, which supports the full inclusion and participation of all citizens in all phases of community life. We greatly appreciate the help that Sanbornton has given us in the past, and hope that you could continue to support us in the future.

Sincerely,

Richard Crocker
Executive Director

LAKES REGION CHILD AND FAMILY SERVICES REPORT

Child and Family Services is New Hampshire's oldest charitable social service organization that has been serving New Hampshire children and families for over 150 years.

Child and Family Services has continued serving residents of Sanbornton through our offices in Laconia at 95 Water Street and in Franklin at 20 Canal Street.

During 2001 town support helped us to provide 10 Sanbornton residents with 49 hours of service.

Town support combined with other funds enables us to offer a wide variety of services to Sanbornton residents on a sliding scale basis. No one is denied service because of an inability to pay.

Family and Children's Counseling Professional social workers provide counseling services that utilize individual and family strengths to address a wide variety of problems including death, divorce, substance use, abuse and neglect, and other social and mental health issues.

Adoption Services help insure that children being adopted are placed in good families who are prepared for parenting and ready for the unique joys and challenges of raising and adopted child. Services are also available after the adoption is final for adoptive parents, their children and birth parents.

Child Health Support provides parent aides to assist families who have abused or neglected children to solve the problems that led to the abuse or neglect and to strengthen the family.

Integrated Home Based Services prevents recurrence of abuse, neglect and delinquency through provision of an integrated series of services designed to meet the specific family's needs.

Intensive Tracking and Supervision helps prevent placement through provision of community based family counseling, intensive supervision, and support to CHINS or delinquent youth and their families.

Group Home provides long-term residential care and emergency overnight shelter for youth between the ages of 13 and 18.

Camp Spaulding provides residential camping for children 9 through 14.

For additional information regarding available services please call us at 524-5835 or toll free at 1-800-640-6486.

Respectfully submitted,
George R. Samuels, Director of Family Counseling

LAKES REGION PLANNING COMMISSION

With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the Lakes Region Planning Commission (LRPC) provides a wide range of planning services to its members. Our work program is as comprehensive as it is full, with activities ranging from technical assistance, geographic information systems, transportation, land use and environmental planning, to economic development. We are funded from multiple sources including local and state government, as well as special studies. LRPC is contacted many times each week for answers to local issues. We also continue to maintain a regular dialogue with state agencies that depend on us as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

Here are a few of our accomplishments over the past year:

- ◆ Completed the Lakes Region Transportation Improvement Program and forwarded a prioritized list of projects to the NHDOT as part of the biennial update of the NH State Transportation Improvement Program.
- ◆ Coordinated the 16th annual Household Hazardous Waste Collection, with nearly 2,400 households from 27 communities participating. Over 16,000 gallons of toxic household products were removed.
- ◆ Performed approximately 130 traffic counts and several local road inventories in cooperation with the NH Department of Transportation.
- ◆ Completed the Region's first digital land use map, which is available to local and regional organizations.
- ◆ Updated the *Development Trends in the Lakes Region Annual Report* using survey data.
- ◆ Provided administrative and technical support to the Pemigewasset River Local Advisory Committee leading to the completion of the draft Management Plan for the Pemigewasset River.
- ◆ Located child care centers, assisted housing, public transportation, and major employers across the region to assist with local and regional development planning.
- ◆ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provided a legal perspective on "The How, Who, What, Where, and Why Plans"; "Towers, Traditions, and Topless Dancers"; and "Innovative Land Use Regulations".
- ◆ Entered into an Agreement with the NH Office of Emergency Management to prepare two pilot all hazard mitigation plans. These plans are used to facilitate mitigation funds from the federal government.
- ◆ In cooperation with the Society for the Protection of NH Forests and the University of New Hampshire, initiated data collection for new municipal conservation lands.

(LRPC continued)

- ♦ Prepared and hosted citizen education workshops on How to Prepare a Master Plan, and Planning Board Processes and Procedures.
- ♦ Convened four area commission meetings that focused on transportation, historic preservation, Main Street, and groundwater, highlighted by a nationally renown planning expert at the summer annual meeting.
- ♦ Organized National Flood Insurance (NFIP) workshops for local officials.
- ♦ Prepared an innovative land use and transportation Power Point presentation for local communities focusing on sprawl reducing and community building strategies. The presentation can be customized and made available to any community, upon request.
- ♦ Coordinated the Lakes Region Household Hazardous Product Facility Committee to examine the possibility of siting a permanent household hazardous product facility.
- ♦ Continued to organize and convene meetings of the LRPC Transportation Technical Advisory Committee to improve transportation planning.
- ♦ Completed Plan 2000, an update of the Lakes Region Transportation Plan, the policy plan for the region's transportation network.
- ♦ Completed a survey and report on issues that affect home based employment.
- ♦ Hosted a statewide meeting to discuss the update of the NHDOT Rail Plan.

We look forward to assisting your community in the future.

Kimon Koulet, Executive Director
Lakes Region Planning Commission

NEW BEGINNINGS-A WOMEN'S CRISIS CENTER REPORT

On behalf of New Beginnings A Women's Crisis Center and those we serve, I would like to thank the Town of Sanbornton for its continued support. The \$1,200 allocation in 2001 assisted us in providing emergency services, advocacy and support to those whose lives have been affected by domestic and sexual violence.

New Beginnings offers 24-Hour Crisis Line. We operate a full time shelter for women and children and have safe homes for male victims; provide support and advocacy at courts, hospitals, police stations, and social service agencies. New Beginnings offers peer support groups for those affected by domestic or sexual violence, assists with needs assessments, case management and housing options; and does community outreach and education programs for youth, teens and adults. **All services are confidential and are provided free of charge.**

The advocacy, outreach, education and support services our agency provides represent many service hours.

New Beginnings is one of 14 members of the statewide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic and sexual assault programs. The coalition is an evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs while advocating for legislative change that affect victims/survivors of domestic and sexual violence.

We greatly appreciate the support of the Sanbornton community. We are dedicated to human service, social responsibility and fiscal accountability. Although, New Beginnings represents a finite portion of the Sanbornton Town Budget the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for our children and ourselves.

Volunteers are an integral part of the work done by our agency. In 2001 there were 10,244 hours of service provided by volunteers. They are always needed and the opportunity to service is fulfilling.

Thank you for joining us to ***make a difference.***

Sincerely,
Kathy Keller, Director

NEW HAMPSHIRE HUMANE SOCIETY

The New Hampshire Humane Society (NHHS) provides numerous services to the residents and companion animals in the Town of Sanbornton. Strays are safely housed for 7 days prior to becoming available for adoption to the public. NHHS takes in owner-relinquished pets by appointment and matches the animal with the best adoptive home. Our animals **are not** euthanized for reasons of space or time. We offer the residents of your town an alternative to releasing their animal to the streets when they can no longer care for them. Quarantine facilities are made available to the town as well as animal cruelty investigation. Educational programs are offered to town schools and civic organizations. If you are interested in any of the programs, please call the administrative offices at (603) 524-8236 or contact the shelter at (603) 524-3252.

The total number of animals brought to the New Hampshire Humane Society from your Town during 2001 is as follows:

<u>ANIMALS</u>	<u>From the Town of Sanbornton</u>	<u>Owner Surrendered</u>
Dogs & Puppies	12	1
Cats & Kittens	13	3
Other Animals	0	2
Deceased	0	
Total received from the Town of Sanbornton:		25
Total received from the Residents		6
Total number of all animals received		31

Respectfully submitted,
 Claudia Abdinoor, Executive Director

WINNISQUAM FIRE DEPARTMENT REPORT

The year 2001 was a very busy year for the Winnisquam Fire Department. We were toned for 498 calls, an increase of over 60 compared to last year, and the highest number of calls ever. We respond, along with the town departments, in Belmont, Sanbornton and Tilton-Northfield. The breakdown of the 2001 calls, by town and by type is as follows:

	<u>Belmont</u>	<u>Tilton-Northfield</u>	<u>Sanbornton</u>	<u>Mutual Aid</u>
Medical	100	68	33	6
MV Accidents	33	39	7	1
Fire-Structure	31	19	6	2
Fire-Other	22	16	13	0
Fire Alarms (no fire)	47	6	10	0
Service & Other	15	12	10	2
TOTALS	248	160	79	11

We presently have some 30 active members, with most of them being State Certified as firefighters. In addition, half of our members are EMT's, including one Paramedic and three Intermediates. In 2002, we will have at least five more members enrolled in EMT classes. The EMT's are becoming more and more important to us since over 60% of our calls are medical or motor vehicle accident related.

The year also saw the first step in the refurbishing of the outside of our building on Sunset Drive, with all of the roof trim being repaired and then wrapped with white aluminum trim. We also removed the wood shingles on the gable end of the hall and replaced them with vinyl siding. This year we plan to have the outside of the building power washed, scraped and painted in a light tan color to match the color of the new siding, with the trim being painted white. It is felt that these colors, instead of the present white building with red trim, will better blend the building into the neighborhood and with the recent new marina building.

A lot of time has been spent on planning for improvements to the grounds around the station, which we hope can be undertaken in 2002. The Town of Belmont is proposing to install road drainage in the area by the station, which will help to overcome a flooding problem that we have had for years, when melting snow and heavy rains back up behind the building,. Jim Piscopo is donating the regrading of the parking area after the town drainage is in place, including removal of the present asphalt ramp by the apparatus bays, and the realigning of the side of the parking area to our newly defined south property line. After this work is done, we plan to repave the ramp and parking area, a long overdue improvement. Since we allow the marina to use part of the parking area when we do not need it, they have offered to cover more than half of the cost of the paving. However, before we can do the drainage and paving, we first have to install a new drilled well to replace the existing dug well, which is located in the parking area and subject to contamination from vehicles.

Respectfully submitted,
Richard W. Gray, Chief

YOUTH ASSISTANCE PROGRAM REPORT

Writing the town report provides an opportunity to take a few minutes away from running a busy program to reflect on the year past. It also provides an opportunity and a way to help keep the townspeople up-to-date on what has been going on with the Youth Assistance Program during a time when our lives are hectic and the times are troubled. This is also true for the young people in our communities. Adolescence is a time for physical maturation, personal growth, experimentation, testing limits, defining oneself and determining a future direction. A tremendous number of things are going on in the life of an adolescent, which in turn, for many young people can result in a high level of stress. Throw into this mix the fear and uncertainty of the terrorist attacks on the United States and the results are staggering. This year we have seen an increase in the number of young people who just want to connect with others to talk, to help and to be reassured.

For those townspeople who are new to the area, Court Diversion is the primary task of the Youth Assistance Program. Young people who have committed a delinquent or status offense may be referred to the program by the police departments, district court, school officials or parents. Once referred, the youth goes before a Juvenile Review Board comprised of volunteers from our communities. The task of the Juvenile Review Board is to develop a contract that addresses the offense and helps the young person learn from this experience. Along with court diversion, the Youth Assistance Program offers informal counseling, mediation, group work for substance abuse and tobacco education. Parents and community volunteers are an integral part of the Youth Assistance program. Periodic trainings are held to provide information and support to those volunteering with the program and anyone interested in learning more about adolescent issues.

This past year the staff of the Youth Assistance program has worked diligently on a number of initiatives to help bring money and new services into our communities.

1. The All Stars program helps prevent the onset of risky behaviors by helping youngsters make healthy future-directed decisions. Ninety sixth-graders took part in All Stars in 2001. The remaining sixty-five will take part this spring.
2. The Restorative Justice Program has opened its doors this year to second offenders and young people who have moved beyond the scope of the Youth Assistance Program. Months of hard work have gone into the development and planning of this program. Its implementation will add a second tier to the juvenile justice system which will more effectively address adolescent issues. The Youth Assistance Program will continue to work closely with the Restorative Justice Program.

(Youth Assistance Program continued)

3. The Youth Opportunities program has continued to grow under the direction of Program Coordinator, Wendy Kenneson who was hired in June of 2001. The Youth Opportunities program has been under the umbrella of the Youth Assistance Program, but will become an independent community non-profit program this year as it has grown beyond infancy. A wide variety of activities have been offered to area youngsters this year including; rock climbing, tubing, hiking, scrap booking, cooking and skateboarding.

In closing, we would like to thank the townspeople of Northfield, Sanbornton and Tilton for their continued support. Thank you also to all our volunteers including our Board of Directors and the Juvenile Review Boards. We feel confident that we can continue to provide quality programming, support and hope to the young people and families of Northfield, Sanbornton and Tilton.

Respectfully submitted,
 Martha C. Douglass, Director
 Dawn B. Shimer, Associate Director

HARMONY GRANGE NO. 99

As a community level organization, we actively participate in county, state and national programs.

At the national level, the Grange actively lobbies for causes which are in accord with organizational policy. Our State Grange does the same. All policy within the Grange originates at the local level and the organization remains as one of America's best examples of democratic grass-roots activism. The primary legislative objective of the Grange is to represent the views of rural residents and the agricultural community. These issues include transportation, farm programs, rural economic development, education, health and safety concerns and many others.

Early in its history Grange leaders realized that social interaction was especially important to rural residents, and each year thousands of Grange members participate in numerous community service projects.

Harmony Grange's most recent community service effort was the original sponsorship of Sanbornton's Senior Housing project. We continue to support the Sanbornton Senior Housing Corporation with twelve Grangers as members, five of whom are directors. Now that the Corporation has been funded, we look forward to the final development of the housing project and pledge our continued support.

Respectfully submitted,
Robert M. Bodwell, Master (Pres.)

MOHAWK TRAIL RIDERS

The Mohawk Trail Riders (MTR's) Snowmobile Club is a non-profit organization that maintains approximately 56 miles of snowmobile trails in Sanbornton and New Hampton. The club's 100+ members consist of about seventy-five percent New Hampshire residents.

The Club incorporated in Tilton in 1969 as a New Hampshire Snowmobile Association charter member. In 1986, the club reorganized and moved to Sanbornton in an effort to preserve area trails threatened by residential development and neglected landowner relations. It took several years of hard work to acquire the permission of all landowners and improve trails. Maintaining this important relationship with our landowners is a high priority for us and has helped generate one of our favorite annual traditions. For the past 3 years, the MTR's have hosted a Landowner Appreciation Dinner, to express our appreciation to the private landowners that allow trails to cross their property in town. This event is filled with good food and great memories of friends and neighbors.

With an organized trail system in town snowmobiling has flourished. The club has worked closely over the years to provide access to several local businesses including Steele Hill Resort, Exit 23 Plaza, and the Sanbornton General Store. Our membership has grown, the trail system has improved and we have increased our participation in community events.

The MTR's operate many fund-raisers throughout the year including raffles, the Sanbornton chicken barbecue, and an annual Christmas Bake Sale. We have a dunking booth that we use at several events including Belmont and Tilton Old Home Days. Although funding our club is critical, a large portion of the funds raised at these events is donated to local charities including New Hampshire Easter Seals. This February, the MTR's had 25 members participate in the New Hampshire Snowmobile Associations Ride-In for Easter Seals. Our donation to this worthy organization was the highest in Belknap County and the 7th highest in the State.

The MTR's work to ensure that snowmobiling can be safely enjoyed both now and for years to come. If you are interested in joining us or learning more about our Club, please contact Susan at 744-8914.

Respectfully submitted,
Susan Bousquet, President

SANBORNTON BAY CIRCLE OF HOME AND FAMILY

Sometime back in the 1940's a group of Sanbornton ladies formed their own Extension Homemakers Organization. Today this same group is called the Sanbornton Bay Circle of Home and Family and has 24 members. We meet each month (except July) at various member's homes for programs and activities. There is always a summer picnic and a Christmas party on our agenda each year.

This past year we heard talks on Greece, sheep farming, having friends for life, and where to locate health information locally. We took trips to Cornish, NH., to visit St. Gauden's National Park and to Quechee Vt., to view both the glass blowing procedure and the museum. Two other activities included giving book reviews and making Christmas card baskets to fill with cookies for distribution to shut-ins.

From money raised from flea market and craft fair sales we were able to donate over \$960.00 to: (1) Two Winnisquam High School Seniors for college book awards, (2) Sanbornton Public Library Building Fund, (3) Spaulding Youth Center Foundation, (4) Thanksgiving and Christmas food certificates for Public Assistance.

Our officers are as follows:

Pauli Novicki, Co-President	(279-8278)
Earlene Smith, Co-President	(528-6454)
Judy Hewson, Secretary	(524-5628)
Brenda Kraft, Treasurer	(528-4583)

Our meetings are held the third Wednesday of the month at 1pm. Anyone interested please call for information from any of the officers.

Respectfully submitted,
Brenda Kraft, Treasurer

SANBORNTON HISTORICAL DOCUMENTS FOUNDATION

The Sanbornton Historical Documents Foundation is a 501 (C) (3) tax exempt organization and is a New Hampshire nonprofit corporation recorded with the Secretary of State, December 7, 1999. Our purpose is to form a partnership whose mission it is to save town historical documents in digital format and to make them accessible for public use. We seek volunteers to help with this process. The foundation now has a web site under construction, www.sanbornton.com.

Respectfully submitted,
Robert M. Bodwell, Board of Directors, Chairman

SANBORNTON OLD HOME DAY

August 4th and 5th are the dates of Old Home Day Weekend 2001. There will be another Sanbornton Old Home Day Golf Tournament and a Barbecue at Den Brae Golf Course on Prescott Road on Saturday, August 4th. The traditional Old Home Day Sunday Church Service for all the congregations in Town will be held at the Second Baptist Church at the Bay this year with lunch and entertainment to follow. Other events are being planned. Mark your calendar.

TWIN RIVERS COMMUNITY VOLUNTEERS

The Sanbornton Congregational Church on Meetinghouse Hill in Sanbornton Square is sponsoring a new organization called Twin Rivers Community Volunteers. This will be a free, non-professional service for elderly and/or disabled individuals and others with special needs. Volunteers will provide transportation to medical appointments and shopping; friendly visits to homebound persons, telephone reassurance, and limited respite care. Volunteers who can donate two or three hours a month or a week are needed to get the program underway. Training will be provided. Call 279-8848 for more information.

SANBORNTON HISTORICAL SOCIETY

If you are curious about Sanbornton's past and interested in the history of New Hampshire and New England, you are invited to attend the monthly meetings of the Sanbornton Historical Society on the first Wednesday of each month, April through October. The meetings are held in the restored Lane Tavern in the Town Square at 7:30 p.m. Topics this year include:

- April 3 Way to the Westward Sea: The Lewis and Clark Expedition
- May 1 Attic Treasures: A Historical Show & Tell
- June 5 Tour of the Charles E. Tilton Hall (Library) at the Tilton School with Ken Didsbury as presenter
- July 3 Don Kent on "How it all began in weather broadcasting"
- Aug 7 Steve Foley on the History and Rebirth of the Franklin Opera House
- Sept 4 On the WWII homefront by Evelyn Auger et al
- Oct 2 Annual Meeting and Dinner: A Night to Remember our first 50 years

Special events planned include a flea market on June 15, the annual Greens and Craft sale on December 7, and a Victorian Christmas tea on December 15 at Owl's Rest Farm on Brook Road. All meetings and events are free and open to the public. The Society was organized in 1952 to promote interest in and understanding of the history and development of the Town of Sanbornton; to collect, organize and preserve historical material relating to life in the Town and make it available for study; and to locate, preserve and mark historical sites and places of public interest in the Town. Dues are \$10 per year for individuals and \$15 for families. For more information, contact Linda Salatiello at 286-4526.

Respectfully submitted,
Linda Salatiello, Acting President

SANBORNTON SENIOR HOUSING CORP., INC.

The corporation has been moving forward during the past year in trying to reach its objective. That objective, for any newcomers, is to provide affordable housing for senior citizens in this area. It has been approximately 5 years since members of the local Grange perceived the need for this type of housing and decided to do something about it. A number of Grange members are on the Board of Trustees. It is normal to find a local Grange to get involved in supporting various needs in their communities.

As of the writing of this report, the Sanbornton planning board and the State of NH have approved plans for the project. In addition, the major hurdle involving financing has been surmounted. The New Hampshire Housing Finance Authority has agreed to set aside \$2.5 million for the housing project. The money will be made available as certain conditions are met along the route to final completion. At present the corporation is awaiting approval of a "bridge loan" request to cover certain expenses that need to be paid prior to a request for bids. It looks promising!!

At this time the corporation would like to encourage anyone in the community to join our group as members. The present dues are \$20 per year from June to June. Unlike grant money which is restricted and can only be used for specific purpose, dues money can be used for ongoing corporation expenses such as: stamps, paper, insurance, etc. The mailing address is PO Box 223, Sanbornton, NH 03269-0223. Thank you for your support.

Respectfully submitted,
Dick LeClerc, SSHC - Chairman
